Amendment Dated April 10, 2006
Reply to Office Action of March 14, 2006

Remarks/Arguments:

No claim amendments are made with this response; however, a complete listing of the claims is enclosed for reference.

The applicants file herewith a Terminal Disclaimer in compliance with 37 C.F.R. 1.321(c) to overcome the double patenting rejection. Both U.S. Patent No. 6,599,570 and the present application are commonly owned by Johnson Matthey Public Limited Company.

No other substantive rejections were made in the Office Action. Therefore, with the filing of the Terminal Disclaimer, the applicants respectfully submit the application is in a condition for allowance and request early notification to that effect.

Respectfully submitted,
